

We need AAs to Carry the Message to Members behind the walls

The Rochester Intergroup **Corrections Committee** * supports active AA groups in 7 state prisons, including Five Points (located 30 miles north of Ithaca).

Members of the Five Points group have requested **help in connecting with Sponsors** to visit and/or exchange messages with them to work the Steps. Visiting does NOT require going through an application/clearance process, however it does require a monthly time commitment and transportation to the facility.

For more information on this incredibly rewarding service opportunity, please contact:
